ABORTION & CONTRACEPTION

- A June 2023 [Catholic Vote investigation](#) uncovered a report by Senate staff who were misled by CRS representatives attempted to confuse and mislead senators about African bishops and their supposed “unopposed” opinions toward pro-abortion AIDS relief program pushed by the US through the Biden Administration.

- Member of very liberal, pro-contraception, [Caritas Internationalis](#).

- [Partners with anti-Catholic agencies and NGOs:](#)

*“While CRS strictly adheres to the teachings of the Catholic Church, and our main partners are local parishes and dioceses throughout the world, **we work with other agencies who are not always aligned with Catholic teaching.**”*

“Lutheran World Relief, JHPIEGO, Save the Children, and Mercy Corps are a few of these organizations. Such partnerships are win-win because they allow for a more holistic approach to development, with each organization bring their special expertise to ensure the best results.”

- Jhpiego, a CRS partner, [opposes](#) the overturning of Roe v. Wade:

“The decision today by the U.S. Supreme Court overturning a woman’s right to safe abortion care undermines what Jhpiego has been working toward since our founding—the right of a woman wherever she lives to be at the center of her care and in charge of her sexual and reproductive health.”

- Save the Children, a CRS partner, [supports abortion](#):

“Save the Children aspires to ensure that all women and girls in crises are respected and supported in their reproductive health choices, and have access to the Minimum Initial Service Package (MISP) for reproductive health through our humanitarian health programming, with an emphasis on family planning (FP), post-abortion care (PAC) and comprehensive abortion care (CAC).”

- Pro-abortion and pro-contraception organization, CARE International, awards CRS a \$2 million grant (FY 2021 990). While it states the grant went to CRS’ “Water and Climate Justice” relief, [it maintains a relationship](#) with pro-abortion and pro-contraception group (\$260,713 to CRS and \$2,300,597 to CRS USCCB).
