

Children's Cancer Research Fund

https://childrenscancer.org/wp-content/uploads/2022/05/2022-Hard-to-Treat-Award-Funding-Announcement_FINAL.pdf

- In their 2022 Award Funding Announcement, Children's Cancer Research Fund states in sub-section 13 under the "Grant Research Policies," that:
"Use of embryonic stem cells and fetal tissue-CCRF does not fund research utilizing embryonic stem cells or fetal tissue." (p. 7)

<https://childrenscancer.org/2021-hard-to-treat-award-winners/>

- After searching through their 2021 grant award recipients, we were unable to find any information to suggest previous or current involvement by any of the recipients in Human Embryonic Stem Cell research or cloning.
