## Things to Consider...

<https://www.habitat.org/stories/habitats-commitment-be-actively-anti-racist-and-affirm-black-lives-matter>

- While giving a statement condemning racism following the murder of George Floyd, Habitat’s CEO Jonathan Reckford urged supporters to donate to Black Live Matter in response. However, this organization promotes abortion “rights” and their pro-LGBTQ+ groups.

<https://www.habitat.org/about/partners/community>

- One of their community partners is the Clinton Global Initiative, who has helped raise money for Habitat. However, nothing has been found to suggest that Habitat is actively supporting the Clinton Global Initiative or its programs in-turn, which are very pro-abortion and pro-contraceptive.

- “Habitat accepts government funds as long as they have no conditions that would violate our principles or limit our ability to proclaim our Christian identity.”
