

# CHARITY WATCHLIST

## American Spinal Injury Association

### EMBRYONIC STEM CELL RESEARCH

- One of its Sponsors in 2023 was the Christopher and Dana Reeve Foundation. ASIA states:

*"The following 2023 Partners, Supporters and Exhibitors share ASIA's commitment to Spinal Cord Injury Care, Education, and Research."*

- ASIA sent the following response on 9/29/2023 to American Life League:

*"The American Spinal Injury Association **does not have a statement at this time**. ASIA supports research and clinical treatments that improve the activity, health, function, and independence of people with SCI. **It does not endorse a single approach to achieving these goals.**"*

—Carolyn Moffatt
