

# American Spinal Injury Association

## Human Embryonic Stem Cell Research

<https://asia-spinalinjury.org/2023-partners-and-exhibitors/>

One of their Sponsors in 2023 was the Christopher and Dana Reeve Foundation. ASIA states that: “The following 2023 Partners, Supporters and Exhibitors share ASIA’s commitment to Spinal Cord Injury Care, Education, and Research.”

On 9/29/23, ASIA's Association Manager responded to ALL with the following response:

“The American Spinal Injury Association **does not have a statement at this time.** ASIA supports research and clinical treatments that improve the activity, health, function, and independence of people with SCI. **It does not endorse a single approach to achieving these goals.**”-Carolyn Moffatt
