Stance on Life Issues

ALL contacted International Fellowship of Christians and Jews to ask if their programs are involved with or have a statement on the various life issues (abortion, euthanasia, contraception, etc.) This was their reply:

The Fellowship was founded for the purpose of building bridges of understanding between the Christian and Jewish faith communities. In accordance with our mission statement, we only use donated funds to benefit Israel and assist other needy Jewish people throughout the world with outreach efforts of The Fellowship programs. Please feel free to follow the link below to read more about The Fellowship's lifesaving work:

ALL followed up with the organization to confirm that they do not have statements on the life issues but has not heard back.
