

Verity's Village

Stance on Life Issues

Verity's Village director of public relations and social media sent the following information to ALL:

Like your organization, Verity's Village is pro-life in all circumstances, opposing any type of abortion (abortifacient, morning after pill, abortion pill, and actual abortion). In addition to our stance on abortion, we also disagree with euthanasia and the use and collection of human embryonic stem cells and fetal cell research, as well as cloning. We do not support Planned Parenthood or any organizations that promote the death of babies or of our elders.

We are in support of the traditional family, and we believe that God created man and woman to be united in marriage. Thus we also oppose the promotion of alternate lifestyles such as the LGBTQ+ lifestyle, as this does not align with God's plan for marriage. We do provide support to any woman who receives a life limiting prenatal diagnosis, even if they are not living according to God's plan for marriage.
