## Stance on Life Issues

In response to ALL's inquiry about International Relief Teams' stance on the life issues, they said the following: "No, we do not provide contraception. We provide mostly medicines through our partner organization. No, we do not have a statement on abortion, LGBTQ+ or contraception."

Along with Concern Worldwide, Save the Children, the UN, Plan International, Catholic Relief Services, ChildFund International, and more, IRT is a member of the organization InterAction. IRT lists InterAction's website on the bottom of their own main webpage.

InterAction seeks to do the following: "We mobilize our members to think and act collectively to serve the world's poor and vulnerable, with a shared belief that we can make the world a more peaceful, just and prosperous place—together.
