## Stance on LGBTQ+ Lifestyle

# https://www.nokidhungry.org/blog/celebrating-lgbtqia-kids-and-teens-food-loveand-respect

No Kid Hungry has shared several blog posts regarding food insecurity among children who identify themselves with the LGBTQ+ lifestyle. However, the organization shows their support for the lifestyle itself in an article they featured regarding their partnership with Covenant House and an event hosted by Covenant House, which shows teenage boys dressed as girls and girls dressed as boys to "celebrate" LGBTQIA+ kids and teens.
