CATEGORY 1

MIDDLE SCHOOL (5TH-8TH GRADE)

Write a 500-word essay on this prompt:

Every baby is an unrepeatable miracle whose life begins at the moment the sperm fertilizes

the egg. Each has a soul and is created by God, and when we talk with others about this baby, it helps to shine a light on her uniqueness. Choose one stage of a preborn baby's development (first trimester, second, or third). Explain the development in this stage (what the baby can do, what he looks like, etc.). Then address three concrete ways you can help others see the humanity of the baby in this stage.

CATEGORY 2

Human beings are unique, special, and unrepeatable miracles of God created in His
