This measure would:

- Allow abortions until the end of the first trimester
- Add exceptions for the physical health or life of the mother for the second and third trimesters as determined by the mother's physician

SOUTH DAKOTA'S CURRENT LAW:

Abortion is illegal in South Dakota except if the mother's life is at risk.

Catholics should vote **NO** on South Dakota Amendment G

A human being's life begins the moment the sperm fertilizes the egg. This is now a unique and unrepeatable person.

Abortion is the intentional killing of a human being before he or she is born. The Catholic Church teaches that abortion is never morally licit.

The Church teaches that neither rape nor incest justifies the taking of an innocent human being's life.

Doctors never need to intentionally kill the baby to save the mother's life; therefore the "life of the mother" argument is invalid. In his address to midwives, Pope Pius XII taught that a physician should do all he can to preserve both lives. If the baby dies while the doctor tries to save the mother, this is not considered an abortion.

Any formal cooperation in abortion constitutes a grave sin. The Church attaches the canonical penalty of excommunication to this crime against human beings (CCC 2272).
