## Cal Farley's Boys Ranch

### ABORTION & CONTRACEPTION

- In direct response to ALL's inquiry regarding CFBR's positions on the life issues:

*"Cal Farley's Boys Ranch is dedicated to supporting and loving children, embracing each child regardless of age, gender, race, religion, sexual orientation, or gender identity. At Boys Ranch, every child is guaranteed a safe and accepting environment, which is fundamental to our Model of Leadership and Service. This commitment is our highest priority. Many of the children we care for come from backgrounds where they felt unsafe, but at Boys Ranch, they find the peace and security they need to simply be kids. They can ask questions freely in a supportive and safe setting, no matter the subject. Boys Ranch does not fund elective surgeries; we ensure that children are housed according to their gender. Teenage relationships are allowed but are closely monitored to ensure they remain healthy and appropriate."*

In a follow-up email to ALL, CFBR responded:

*"To clarify, our children are placed in homes according to their biological gender."*

### NOTEWORTHY

- In 2017, Dan Adams, the CEO of Boys Ranch at the time, [issued an apology](#) to the victims who were abused while children at the Ranch during the 1970s-1990s:

*"For those who left Boys Ranch having experienced abuse of any form, I am truly sorry, both as the leader of this organization and as a man. It is for these reasons that regulatory oversight and strength-based models of care in this field evolved, and Cal Farley's strives to be a leader in observing both. What we can do to respect the dignity of these alumni is to commit ourselves to providing unassailable care for the young people who call Boys Ranch home today. And, that's exactly what we do every day."*

- Cal Farley's Boys Ranch commits to '[providing safety](#)' to the children under its care.
