American Foundation for Suicide Prevention

American Foundation for Suicide Prevention

ABORTION

- Funds [research in 2013](#) in support of more mental health assistance for “abortion care” than mental health support for women with Post-Abortion Syndrome.
- A [2024 research grant](#) funded by AFSP looks at suicide rates in post-abortive women. It describes the “stigma,” illegality, and lack of support by states with abortion restrictions and how they impact women’s mental health prior to and after an abortion.

LGBTQ+

- Supports homosexual lifestyle groups such as GLAAD and [The Trevor Project](#), and [lists them as partners](#).
- While AFSP offers support for anyone struggling with suicidal thoughts, it expresses support for “Pride Month” and offers resources for LGBTQ+ lifestyles:
 - [LGBTQ Crisis and Support Resources](#)
 - [Real-time Study of Psychotherapy, Suicide Risk, and Resilience in Transgender and Non-binary Adults](#)
 - [LGBTQ+ individuals and populations](#)
